

NEW CLIENT QUESTIONNAIRE

I created the following questionnaire to help me establish a basic understanding of your project. As you go through this questionnaire, please keep in mind that the design can and will evolve as we move forward. If there are questions that you don't know the answer to or that aren't important to you, feel free to skip them. We will discuss all of these items in more detail when we start the design process, but please feel free to explain your thoughts in longer answers below.

First Name _____

Last Name _____

Project Address _____

Type of Project _____

New Construction, Addition,
Remodel, Accessory Dwelling Unit

What is the goal of this project? _____

Expand or update existing home,
generate income

Estimated square footage of project _____

Desired Schedule / Timeline _____

Estimate Project Budget _____

Are you familiar with the design, permitting and construction process?

Are you familiar with the zoning of your property (the design constraints / limitations)?

Are you aware of any problems with zoning, codes, neighbors, or anything else that may create an obstacle?

Do you have a rough layout or an idea of what you would like (photos, sketches, inspiration, etc.)?

Do you have a contractor selected to build the project?

If this project is a renovation, what part / rooms of the house does it include?

If this project is an addition, what type of room is being added?

Do you have any interest in or want to know more about sustainable design? Circle any of the following items and feel free to add more.

Sustainable Materials

Natural Daylighting

Rainwater Harvesting

Healthy Human Environment

Natural Ventilation

Solar Energy
